Terms of participation

Masters: the number of models from one modeller is limited to one model per category. Instruction sheet(s) must be provided. Kit's instruction sheet is a minimum. If you used any aftermarket detail sets, add its instruction sheets too. Same requirement applies for different decals or conversion sets. Model without basic instruction sheet will be cut short by 50% points.

Hobby: number of models from one modeller is not limited.

Guidelines for model evaluation:

- **Masters categories** ([aircraft](#), [AFV](#))
- [Hobby categories](#)
